- f. Details to follow on these events-
 - 1. Graduation Meeting, Spring 2020
 - 2. Mother Daughter Tea Spring 2020
 - 3. Father Son Retreat, Fall 2020

URGENT REQUEST III

Purpose of Rally

The ultimate objective is to teach legislators about what home schooling is (and, perhaps more importantly, what it is not). We want to demonstrate our numbers, involvement, and willingness to participate in the political process. All communication with members of the General Assembly should be personal, friendly, and helpful (encouraging).

Talking Points

Accordingly, each email should include the following:

1. identify the writer as a home school parent or student who is part of **FCM (THE statewide home school organization and voice)**),
2. identify the writer as a constituent, or if not, then state that they are part of the community of home school parents/students that are concerned about protecting and defending the home school statute, **as written**, in the state of Missouri,
3. express the desire to keep home school education separate and distinct from any other

form of institutional education (e.g. public and private education, etc.),

4. express that home schooling is schooling at home. Parents have the fundamental right and duty to teach their children without governmental intervention, oversight, or involvement,

5. encourage legislators to resist efforts to **statutorily** commingle home schooling students and families with public schools,

6. invite the legislator to learn more about home schooling from them.

7. inform the legislator of the rally on January 28, 2020.

SB 875

FCM's Position on SB 875

Our lobbyist and attorney, David Klarich, writes: Please note the introduction of SB 875 (Sen. Emery) that prohibits a public school from being a member of an organization or association that prohibits a home school student from participating in any event or activity offered by a public school in the school district in which the student resides.

My recommendation is that **FCM testify FOR INFORMATION PURPOSES ONLY on this legislation and NOT in opposition**. The principled home school position is that students/parents should not be commingled with government schools. Home schooling is schooling at home. Parents have the right and duty to teach their children. This legislation prohibits public schools from membership in an association that prohibits home school students from participating in public school activities. FCM does not advocate for quasi-home school status, and FCM should teach legislators that such participation is neither beneficial for public schools nor home school families.

Meet with Your Senators and Representatives

Rescuing Our Children -and Our Nation

There is a reason the Deep State globalists sound so confident about the success of their agenda-they have a secret weapon: More than 85% of America children are being indoctrinated by radicalized government schools. From the sexualization of children and the re-shaping of values to deliberate dumbing down, this threat is dangerous—not just to our children-but to the future of faith, family, and freedom. Tom DeWeese

Why would any homeschooler want to give up their right to privacy? Why would any homeschooler want to be comingled with government schools? Why would any homeschooler relinquish their right to educate their children without government oversight? Why would any

homeschooler place our homeschool statute in jeopardy, risk every other homeschoolers' right to educate their children without government oversight, and ultimately destroy home education and the last hope America has for maintaining our liberty!

Mother Daughter Tea

Spring 2020 Details to come

FCM (CHEF) 26th Annual Art Festival and Photography Contest, Saturday, April 18th at Salem United Methodist Church, 1200 S. Lindbergh Blvd. St. Louis, MO 63131, conveniently located just off highway 40 on Lindbergh Blvd., between highways 270 and 170, a little north of Frontenac Plaza.

We offer 3 categories for submission: Fine Arts, which includes drawings and paintings; Assorted Arts, which includes such projects as sculptures, origami, string art, fabric art, mosaics, needlepoint, knitting, macramé, woodwork, etc.; and Photography (no video will be accepted).

Art Festival Categories Age Eligibility:

Fine Arts Ages 5 and up

Assorted Arts Ages 5 and up

Photography

Ages 10 and up

Each eligible participant may submit up to 2 projects in each category.

For example: Homeschooled children ages 5 and up may submit up to 2 projects in the Fine Arts category AND up to 2 projects in the Assorted Arts category; AND ages 10 and up may also submit 2 photos in the Photography contest. Homeschool graduates are also welcome to submit projects in all 3 categories.

Our families are cordially invited to view these artwork pieces created by our gifted children, to be displayed at Salem United Methodist Church. Before the awards ceremony, admire the artwork while you enjoy hors d'oeuvres, cookies, cold drinks and classical music performed by homeschooled children and families.

Saturday, April 18th 4:30-5:30 Viewing of artwork, voting for People's Choice Awards (hors d'oeuvres, drinks, music and fellowship)
